Segway may provide purchaser with a Return Materials Authorization number (“RMA#”). Because of shipping restrictions, Segway may require that purchaser, in order to obtain guarantee service on a Lithium-ion battery, ship to Segway or the Authorized Segway Distributor or other service provider the Segway PT with the Lithium-ion battery pack installed on the Segway PT. If the returned Segway PT, component part or Accessory is defective and this Limited Guarantee applies, Segway (or Segway’s Authorized Distributor or other service provider) shall, within a reasonable period of time, repair the Segway PT, or repair or replace the defective component, or Accessory. Purchaser shall then pick up the repaired Segway PT, or repaired or new or reconditioned component, or Accessory from Segway or Segway’s Authorized Distributor or other service provider. Purchaser shall pay the cost of shipping to Segway or Authorized Distributor or other service provider and purchaser shall bear the risk of loss during shipping for any Segway PT, defective component, or Accessory for which purchaser claims this Limited Guarantee applies. If this Limited Guarantee applies, Segway shall be responsible for paying the cost of shipping to the Authorized Distributor or other service provider or purchaser when returning the Segway PT, replacement part, or Accessory.
